Applicants respectfully submit the attached executed Declaration and Power of Attorney in connection with the above identified matter. No executed Declaration and Power of Attorney had previously been submitted in this case.

The above application was filed naming five joint inventors. However, Applicants respectfully request correction of inventorship to add an additional joint inventor. Mr. Michael R. Scruggs, who was inadvertently omitted as an inventor at the time the application was filed, has been added to the attached Declaration and Power of Attorney as the sixth joint inventor in this application.

As specified in 37 C.F.R. 1.48(f)(1), Applicants are permitted to correct inventorship in cases where no executed declaration was previously filed, by the first

Serial No. 10/036,415

submission of an executed declaration naming the correct inventors. In this case, the attached executed Declaration and Power of Attorney is the first submission of an executed declaration, and contains the names of the correct inventors, David Scrivano, Eric A. Castiglia, R. Brett Yates, Steven D. King, Robert Mazziotti, and Michael J. Scruggs.

For the above reasons, Applicants respectfully request the Examiner to accept the attached Declaration and Power of Attorney, and correct the inventorship, as indicated above, in this application.

Respectfully submitted,

---

RETURN OF DOCUMENTS INADVERTENTLY SENT TO APPLICANT

Honorable Commissioner of  
Patents and Trademarks  
Washington, D. C. 20231

Sir:

Applicants recently received a communication from the Assignment Branch regarding the above identified matter. The communication contained a Notice of Recordation of Assignment Document for each of the five Assignments that were submitted to the U.S. Patent and Trademark Office ("PTO") on June 21, 2002. There was nothing unusual about this portion of the communication.

In the same communication, however, Applicants also received original copies of the following two documents:

1. Original Declaration and Power of Attorney. Applicant had previously submitted this document to the PTO on June 21, 2002, along with the five assignments. A PTO stamp bearing the June 21, 2002 filing date can be found on this document.
2. Submission of Executed Declaration and Power of Attorney and Correction of Inventorship. Applicant had also previously submitted this document to

Serial No. 10/036,415

the PTO on June 21, 2002. A PTO stamp bearing the June 21, 2002 filing date can also be found on this document.

It appears that the PTO has inadvertently returned the above two documents to the Applicants in error. They were originally sent to the PTO on June 21, 2002. They should have been accepted by the Examiner and placed in the file. They should not have been sent to Applicants as part of the Notice of Recordation of Assignments.

It is particularly important that these two documents be restored to the file as having been submitted on June 21, 2002, since there has been a change of inventorship, which was indicated and declared in the two documents.

Applicant respectfully requests that the PTO take the appropriate measures to rectify this inadvertent PTO mistake.

Respectfully submitted,

J. John Shimazaki
